6. The Selected Customer(s) must be the policyholders of the Selected Plan(s). If the Selected Customer has successfully applied for more than 1 Selected Plan during the Promotion Period and fulfilled all other requirements stated under these terms and conditions, each Selected Plan will qualify for the premium refund. Such Selected Plan(s) must remain in force and be kept at or above the first year total annualised premium level, and all the premiums and levy(ies) due and payable must have been fully settled when the premium refund is applied. Otherwise, the Promotion will be forfeited.
7. Notwithstanding the above, if there is any change of premium payment mode during the first policy year, the Selected Plan(s) will still qualify for the premium refund and we will use the lowest first year annualised premium to calculate the premium refund amount (please refer to clause 10 for calculation of the first year annualised premium). In addition, for any alterations after policy issuance and before the payment of premium refund which result in a change of policyholder under the Selected Plan(s), the premium refund for the respective Selected Plan(s) will be totally forfeited.
8. **The Promotion can be used in conjunction with other promotion offers unless otherwise specified, while the Promotion cannot be used in conjunction with other Paid-up/Maturity Policy Promotion or Paid-up Policy Promotion.**
9. In order to be eligible for the prevailing offer(s), the Selected Customer(s) must have met all the relevant terms and conditions of the corresponding prevailing offer(s). For details, please refer to the relevant promotion flyer(s).

- 10.If the premium of the Selected Plan(s) is paid on a non-annual basis, its first year annualised premium shall be the total amount of premium payments made in the first 12 months. For example, if the premium of the Selected Plan(s) is paid on a monthly basis, the respective first year annualised premium shall be equal to 12 times the monthly payment.
- 11.The premium refund amount will be denominated in the policy currency and credited to the premium deposit account (“PDA”) of the eligible policy as follows:

Premium payment mode	Date of Premium Refund
Annual mode	On or before 31 August 2027
Semi-annual mode / Quarterly mode / Monthly mode	On or before 29 February 2028

The above premium payment mode means the premium payment mode at the time of policy issuance. A PDA is a policyholder’s premium account set up by us for our policyholder to keep excess premium for future settlement of the relevant modal premium due (and the corresponding levy if there is remaining balance in the PDA) until the premium refund amount is fully utilised. Any undistributed or unused premium refund will be forfeited if the policy is no longer in force.

- 12.We shall restrict any withdrawal of premium refund from the PDA and premium refund is only intended for the settlement of future premium (and levy(ies) if there is remaining balance in the PDA). The premium refund is non-transferable to others or other policies and cannot be exchanged or redeemed for cash even when the policy is surrendered, matured or lapsed.
- 13.The premium refund amount for **PRU**Health VHIS VIP Plan, **PRU**Health CoreChoice Medical Plan, **PRU**Health VHIS EasyChoice Plan and **PRU**Retirement Deferred Annuity Plan is not eligible for tax deduction in Hong Kong. For tax deduction details, please refer to the relevant product brochure(s).
- 14.If the Selected Customer chooses to transfer the maturity value of **Endowment Assurance/ PRU**Life 5-year Saver/ **PRU**save Plus/ **Easi-PRU**save Plus/ **PRU**mylife 8-year wealthbuilder policy(ies) for the settlement of the initial premium or initial premium and levy of a new policy, the relevant policy must be issued under the same individual policyholder. If the maturity value is higher than the new policy's initial premium or initial premium and levy, the remaining amount will be returned to the Selected Customer in the form of a cheque. If the maturity value is less than the new policy’s initial premium or initial premium and levy, the Selected Customer will be required to pay for the outstanding balance.

15. The premium refund under the Promotion will form part of the policy contract upon the respective policy and/or the respective supplementary benefit (if applicable) being issued if the requirements of the premium refund under the terms and conditions of the Promotion are satisfactorily fulfilled.
16. The Selected Plan(s) is/are underwritten by Prudential Hong Kong Limited and is/are subject to all respective policy terms and conditions. For product information, please refer to the terms and conditions set out in the product brochure(s) and specimen policy(ies) issued by us.
17. We reserve the right to change any terms and conditions of this Promotion without issuing further notices. In the event of any disputes, we shall have the absolute discretion to make the final decision.

After the expiration of the cooling-off period, if you cancel the policy before the end of the term, the projected total cash value (if applicable) may be less than the total premium you have paid.
