Premium payment mode	Date of Premium Refund
Annual mode	On or before 31 October 2022
Semi-annual mode	
Quarterly mode	On or before 30 April 2023
Monthly mode	

The above premium payment mode means the premium payment mode at the time of policy issuance. PDA is a policyholder’s premium account set up by us for our policyholder to keep excess premium for future settlement of the relevant modal premium due (and the corresponding levy if there is remaining balance in PDA) until the amount of Premium Refund is fully utilised. Any unutilised Premium Refund will be forfeited if the policy is no longer in force.

6. We shall restrict any withdrawal of Premium Refund from the PDA and Premium Refund is only intended for the settlement of future premium (and levy(ies) if there is remaining balance in PDA). 8. For any alterations of the Eligible Plan after policy issuance (within or after the cooling-off period) which result in a reduction of premium payable within the premium term (including but not limited to a decrease in notional amount or change of premium term), the Premium Refund for the respective Eligible Plan will be totally forfeited. For any alterations of the Eligible Plan after policy issuance (within or after the cooling-off period) which result in an increase of premium payable within the premium term (including but not limited to an increase in notional amount or change of premium term), the increased portion of the increased premium will **NOT** be eligible for this Promotion. Notwithstanding the above, if there is any change of premium payment mode during the first policy year, the Eligible Plan will still be qualified for the Premium Refund provided that the first year total annualised premium of the Selected Plan under the same policyholder must be at least HKD 40,000 (excluding levy) and we will use the lowest first year annualised premium to calculate the Premium Refund amount (please refer to clause 12 for calculation of the first year annualised premium). In addition, for any alterations after plan issuance and before the payment of Premium Refund which result in a change of policyholder under the Selected Plan, the Premium Refund for the respective Eligible Plan will be totally forfeited.
9. The Promotion will not be offered to the Selected Plan applied for or in force on or before 27 January 2022, or to any other basic plan(s) or supplementary benefit(s), or to any policy conversion.
10. We will calculate the Premium Refund amount based on each Eligible Plan’s first year annualised premium excluding levy.
11. The first year total annualised premium is calculated in HKD. For USD policies, the exchange rate of USD 1 to HKD 7.8 is applied to determine the first year total annualised premium equivalent in HKD.
12. If the premium of the Eligible Plan(s) is paid on a non-annual basis, its first year annualised premium shall be the total amount of premium payments made in the first 12 months. For example, if the premium of the Eligible Plan(s) is paid on a monthly basis, the respective first year annualised premium shall be equal to 12 times the monthly payment.
13. **The Promotion can be used in conjunction with any other promotional offer unless otherwise specified.**
