

Medical Green Channel

Get priority booking for outpatient and/or hospitalisation appointment at Medical Green Channel's selected hospitals in Mainland China

What is Medical Green Channel?

If you were to fall sick and need medical services in Mainland China (including outpatient and/or hospitalisation), the following questions may run through your mind:

- How do I make an appointment for medical services quickly?
- Is there a suitable hospital for me?

Medical Green Channel is a one-stop booking service for medical appointment provided by Teladoc Health, our partner provider, which allows you to receive treatment more quickly by saving you from long waiting times and clumsy booking procedures.

Benefit Highlights

Priority booking at selected hospitals in Mainland China

Get priority booking for outpatient and/or hospitalisation appointment at Medical Green Channel's selected hospitals in Mainland China. It covers over 1,200 hospitals in Mainland China, located in major cities such as Beijing, Shanghai, Shenzhen and Guangzhou.

Multiple channels of enrollment

You can enrol to make medical appointment through our online platform or 24-hour service hotline anytime to receive treatment quickly.

Dedicated case manager

Your dedicated case manager will follow up the whole service journey with you*.

Escort service

An escort staff will go to the appointed hospital to assist you on the registration process for outpatient and/or hospitalisation service.

* The case manager will not provide any medical advice

How does Medical Green Channel work?

Step 1

Service Enrolment

Visit the online portal or call the 24-hour Medical Green Channel service hotline (supports Cantonese, English and Mandarin) for enrolment.

Step 2

Communicate with dedicated case manager

A case manager will contact you within 24 hours, in your chosen language, by phone to understand your needs.

Step 3

Escort service

An escort staff will be assigned to go to the appointed hospital, assisting you on the registration process for outpatient and/or hospitalisation services.
