Total Disability Waiver of Premium Benefit
Free your family from premium payment worries
Total Disability Waiver of Premium Benefit

With a life insurance policy, you can be assured that your interests will be well taken care of should any misfortune happen. However, if you become disabled and can no longer afford premium payments, you may have to bear the possible loss of part or all of your insurance protection. **Total Disability Waiver of Premium Benefit** is specially designed to ensure that your protection will not be affected even if you are unable to meet your premium payments.

**Features**

- This benefit is available to any person aged 16-55 next birthday, with coverage up to age 61 next birthday.

  - If the person covered by the policy (the “life assured”) becomes totally disabled and remains totally disabled continuously for more than 180 days, the premiums due for the basic life plan and supplementary benefits will be waived. We will waive the payment of the premium falling due after the start of total disability until the policy expire or such total disability stops, whichever comes first.

  - The life assured is considered to be totally disabled as a result of injury or illness if he or she is totally incapable of being engaged in any occupation, business or activity which pays an income or profit.

  - The life assured will automatically be considered to be totally disabled if he or she suffers from the following conditions:

    a) total and irrecoverable loss of sight in both eyes; or

    b) loss of 2 limbs; or

    c) total and irrecoverable loss of sight in 1 eye and loss of 1 limb.

**Advantages**

- The benefit allows you to continue enjoying all-around protection even if you are unable to pay the premium due to disability for work.

- This benefit can be attached to most of the basic life plans and term assurance for comprehensive protection.
Key exclusions

No premium will be waived under this benefit if the life assured’s disability results directly or indirectly from:

(I) pre-existing physical or mental defect or infirmity; or

(II) war, hostilities (whether war is declared or not), rebellion, insurrection, riot or civil commotion; or

(III) alcohol, narcotics or drugs unless taken as prescribed by a registered doctor; or

(IV) attempted suicide or self-inflicted injuries while sane or insane; or

(V) participation in any criminal offence; or

(VI) scuba diving or engaging in or taking part in any kind of race other than on foot; or

Key risks

How our credit risk may affect your policy?
The guaranteed cash value (if applicable) and insurance benefit of your plan are subject to our credit risk. If we become insolvent, you may lose the value of your policy and its coverage.

What happens if you do not pay your premiums?
You should only apply for this product if you intend to pay all of its premiums. If you miss any of your premium payments, we may terminate your policy and you would lose the policy’s coverage.

Why may your premiums be adjusted?
We have the right to review and adjust the plan’s premium rates for particular risk classes on each policy anniversary, but not for any individual customer.

We may adjust premium rates because of several factors, such as our claims and persistency experience.
Important information

Cancellation right
A customer who has bought the life insurance plans has a right to cancel the policy within the cooling-off period and obtain a refund of any premium(s) and levy(ies) paid less any withdrawals. Provided that no claim has been made, the customer may cancel the policy by giving written notice to us within 21 days after: (1) the delivery of the policy or (2) the issuance of a notice (informing the availability of the policy and expiry date of the cooling-off period) to the customer/his/her representative, whichever is earlier. The premium and levy will be refunded in the currency of premium and levy payment at the time of application for this policy. If the currency of premium and levy payment is not the same as the plan currency, the refundable premium and levy amount in plan currency under this policy will be converted to the currency of premium and levy payment at the prevailing currency exchange rate as determined by us in our absolute discretion from time to time upon payment. After the cooling-off period expires, if a customer cancels the policy before the end of benefit term, the actual cash value (if applicable) may be substantially less than the total amount of premiums paid.
